

BENTLEY BROOKLANDS

£129,000

The second version of Bentley's flagship the 'Bentley Brooklands' was launched at the Geneva Motor show in 2008. It was the last truly 'hand built' Bentley and followed in the footsteps of Bentley's legendary R and T range, utilising only the finest materials to carry 4 people in unashamed luxury. Groundbreaking performance came from the latest and most powerful version yet of Bentley's 6.75 litre twin-turbocharged V8, developing 530 bhp and 1,050 N-m, at the time the highest torque ever developed from a production V8 petrol engine! The engine was mated to a 6 speed ZF automatic gearbox with Tiptronic manual gear selection giving the Brooklands a top speed of 185mph and 0-60 time of just 5.0 seconds!

Production ran for 3 short years from 2008 to 2011 and just 105 examples of this 4 seat pillarless coupe were built in RHD form.

This Brooklands was first registered in January 2009 and came in Midnight Emerald exterior and trimmed in Magnolia hide with Cumbrian Green pipe and carpets. Specification includes Burr Walnut dash with Parchment dials, diamond quilted seats and door panels, 2-tone steering wheel, bright stainless-steel matrix to radiator shell and lower apertures, Naim premium audio, Brooklands Sports wheels. It also benefits from a Bentley approved media upgrade with the fitment of an Alpine touchscreen system to include CD, DAB radio, Bluetooth, Satellite Navigation and reverse camera.

It has covered just 16,000 miles from new and comes with a fully documented service and MOT history.

Make: **Bentley**

Model: **Brooklands**

Year: **2009**

Exterior Colour:
Midnight Emerald

Trim Colour: **Magnolia**
